## OTHER INFORMATION

The boxes will be supplied ready to use (i.e. 'popped up').

Boxing up large numbers of cupcakes, ribbons and labelling *may* incur an extra cost.

All boxes are subject to availability. To avoid disappointment we recommend ordering individual and special boxes as far in advance as you can, though we do try and keep a small amount in stock.

Prices are subject to change without notice due to supplier costs. Prices are correct as of October 2011.
